

"YAMAYO" MEASURING TOOLS - Japan

Since 1906 YAMAYO has exerted themselves to benefit the world through the achievement and assurance of reliable "Length". All YAMAYO products are of JIS first Grade.

STILON REEL (ABS Open Reel)

- NR 20
- NR 30
- NR 50
- NR 100

NO. S 75-1 "YAMAYO" STILON REEL, NYLON COATED STEEL TAPE MEASURE

YAMAYO invented and developed nylon-coated steel tape in 1966, first in the world. The 0.5mm thickness and 10mm width tape is made of tough and flexible steel core to ensure consistent accuracy and strength. Nylon coating protects against rust, corrosion and abrasion. All markings are printed with special permeating ink, resistant to abrasion. Standard tension 5kgf (50N). Suitable for underwater measurement, harbour construction and civil engineering.

Item No.	Model No.	Length (m)	Price (pc)
075-01-NR020	STILON REEL NR 20	20	
075-01-NR030	STILON REEL NR 30	30	
075-01-NR050	STILON REEL NR 50	50	
075-01-NR100	STILON REEL NR 100	100	

Markings on front side only.
Zero Point

3X STILON 50m

Special Winding
Gear System

Markings on front side only.
