

"LENOX" BI-METAL HOLE SAWS - USA

NO. S 85-14 "LENOX" BI-METAL HOLE SAW

LENOX shatterproof bi-metal hole saws are made of high speed steel cutting edges with hardness RC63-65 electron-beam welded to spring steel back. Its Vari-Tooth form gives less vibration and smoother cuts. Cuts through metal, wood, nail-embedded wood, plastics and stainless steel.

1-1/2" (38mm) cutting depth

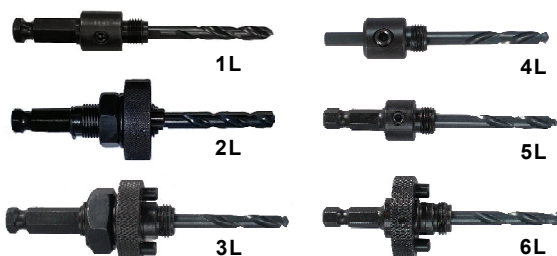

(Some arbors limit cutting depth to 1-3/8" / 35mm)
