NO. S 271-2 DEWALT MAXFIT® TELESCOPING MULTI-BIT RATCHETING SCREWDRIVER DWHT66567

The DEWALT MAXFIT® Telescoping Multi-bit Ratcheting Screwdriver is designed for maximum fit in fasteners and reduces the potential for stripped screws. The telescoping bar provides the right amount of length when needed and retracts for storage. This product also features a magnetic screw lock system, keeping fasteners secure during horizontal or vertical usage.
